This disc contains data collected approximately by Feb. 2008.

The data provided by the Gracenote media database offered from "Gracenote(R) music recognition service " may not be 100% accurate.

Warnings:

- Please ventilate enough when you update in a garage or indoors. You are at risk of CO intoxication.
- Please do not disconnect battery in update mode. The update would not be normalized, and it may cause system breakdown.
- Please keep the engine on while executing the update of Navigation Data. The battery may go flat if you update without charging the battery.
- Driving on a rough surface while updating may result in Navigation SW Update failure. Please avoid rough grounds and bumpy roads, and drive softly.
